The small print. You will be responsible for settling your bill either with this card, or a different one, or by cash or cheque on departure. UK Freeforms takes no responsibility for your bill: if you cancel at the last minute you MUST telephone the hotel to cancel otherwise they will charge your card for at least one night's stay.

We promise not to do anything else with your card number and to look after it safely. If you don't want to give us the details you'll need to talk to us to get a booking in the hotel as we have reserved the whole place.

We know almost everyone would prefer to stay in the West Retford, but we're just not all going to fit. We reserve the right to put you into the Elms Hotel (about a mile down the road) once the West Retford is full and we will do our best to make sure you get transported between hotels at useful times with a taxi shuttle service.

Please return forms and cheques (made out to UK Freeforms)
